Subject: Requesting appraisal for salary hike.

I am Yogish, I was working for Gologix solutions pvt ltd since last nine months, first two months as an intern and next seven months as an employee of role **front-end developer of web application and flutter mobile app developer**. In this period of nine months, I have learnt a lot of programming skills, project development and improved my communication. Now I am looking for an appraisal of the salary hike.

Joining date:

- Joined as intern 13/09/2021
- Joined as employee 01/12/2021

When I was joined, I know the

- | | | |
|--|---|------|
| • HTML, CSS, Java script (web application) | — | 6/10 |
| • Java, python, PHP (programming language) | — | 5/10 |

What I've learn in Internship (2 months)

- | | | |
|--|---|--------|
| • Bootstrap | — | 5.5/10 |
| • Basic programming structure of Flutter framework, widgets for building layouts in mobile applications. | — | 4/10 |
| • Understanding development life cycle | — | 5/10 |
| • Git versioning | — | 5/10 |
| • Communication | — | 4/10 |

What I've done as a employee (7 months)

- | | | |
|--|---|--------|
| • API integration practicing. | | |
| • Improving programming skills in Flutter. | — | 5.5/10 |
| • In Bikecafe mobile application | | |
| • Design the UI | — | 5.5/10 |

- API integration — 5.5/10
 - Pages routing and validations
 - Testing — 6/10
-
- Learning react JS and designing UI for Vendor dashboard of web application
 - Improving communication. — 5/10
 - Understanding company culture.

Future goals for next one year

- Improve programming in flutter framework and will complete Bikecafe app.
- Learn React JS framework and will Complete Vendor dashboard web application.
- Improve learning time.
- Improve completion time of assigned tasks.
- Will learn new skills, programming and different frameworks depending on company needs.

Expecting salary

Based on above mentioned improvements and skills, I am requesting appraisal for a salary hike. And I'm expecting a salary of 18000 per month.
